President's Report

The 2025–2026 season has been a defining year for Moore Park Surf Life Saving Club—one of transition, momentum, and measurable growth as we moved into strengthening our operational future.

Following the opening of our new clubhouse on 30 August, 2025, this season marked our first full year operating from a modern, purpose-built facility. The impact has been immediate. Improved amenities, dedicated training spaces, and enhanced functionality have significantly lifted both member experience and operational capability. The clubhouse has quickly become a central hub for our members and the wider community, reinforcing our presence on Moore Park Beach.

A key focus this season has been strengthening our patrolling capacity. Our commitment to our “One Club, One Mission” vision continues to guide our efforts, with a clear strategic focus on achieving 40 active Bronze Medallion members. We are pleased to report the addition of five (5) new Bronze Medallion holders, representing a 45% increase in our active patrolling base. While numbers remain below our long-term target, this initial growth is a strong step forward. Our Club is positioned to expand from four patrol teams toward five in the coming season.

Membership growth has been a standout result this year, with an overall increase of approximately 30%. Nipper participation rose significantly from 33 to 52 members, reflecting strong family engagement and confidence in the Club's direction. Importantly, this growth has been supported by increased involvement from parents, volunteers, and new members stepping into active roles across the Club.

Our Silver Salties program has continued to develop as an important part of our community engagement strategy. With strong participation in monthly raffle nights and social activities, the program is not only fostering connection and wellbeing but also contributing to Club sustainability through fundraising and volunteer support.

This season also demonstrated the Club's capacity to deliver at scale, with the successful hosting of the Junior Branch Carnival. Welcoming approximately 500 competitors, officials, and visitors, the event showcased our Club's organisational capability, strengthened relationships across the Branch, and delivered meaningful economic and community benefit to the local area.

Despite these achievements, challenges remain. Our patrol base continues to operate under pressure, and the need to recruit, train, and retain active members remains critical. However, the progress made this season—particularly in membership growth, leadership development, and community engagement—provides a strong foundation to build upon.

As President, I am incredibly proud of the direction our Club is heading. This has been a year where we have moved beyond survival and into growth, with clear signs that our strategies are working. The energy within the Club is changing, and with it comes opportunity.

We are building something strong, sustainable, and community-driven—and the future of Moore Park Surf Life Saving Club has never looked more promising.

Vita Nakrosa

President

MOORE PARK S.L.S.C

Club Captain's Report

Congratulations to all patrol members on a fantastic 2025–2026 season. Reflecting on where our Club was only a few seasons ago, to now operating from a new clubhouse, has been a sensational journey and a testament to the dedication of our members.

I am particularly proud to see our patrol structure grow from three patrol groups to four. This achievement would not have been possible without the commitment of our current members, the enthusiasm of new members, and the support of our reserve patrol members. Across all four patrols, attendance has been strong throughout the season, and we have consistently been able to fill gaps and maintain patrol strength whenever members have been unavailable.

I would like to thank all members who assisted with water safety and IRB operations during this season's Branch Carnival at Moore Park (Beach) SLSC. The event was a tremendous success and a fantastic outcome for our Club and everyone involved. A special thank you and congratulations to all members who supported our Nippers throughout the day.

I would also like to acknowledge and thank all patrol members who have assisted with water safety during Sunday morning Nipper sessions throughout the season. Your support plays a vital role in providing a safe and enjoyable environment for our young members.

A shout out to Kim Miosge, our Junior Activities Coordinator, and her team on delivering a fantastic season. Nippers are a vital part of our Club, providing the foundation for the next generation of surf lifesavers, and your dedication and hard work are greatly appreciated.

When Bundaberg and the surrounding region experienced significant localised flooding, our patrol members did not hesitate to step forward and assist when called upon. I cannot thank you enough for your willingness to support the community during challenging circumstances. We were also called upon to assist in the search for a missing person in the flooded Burnett River, working alongside local authorities and other surf clubs in a coordinated response.

To keep us safe between the red and yellow, our patrol members did a collective 1,148.2 volunteer patrol hours. I'm happy to say this was spread fairly even through all patrol groups.

Something to look forward to, we have just taken possession of a brand-new Surf Rescue Jet Ski (RWC), this will be a huge asset to our patrol groups and our rescue capacity for many years to come.

At the commencement of the 2026/27 patrol season, we expect to have approximately eight qualified IRB drivers and four qualified RWC operators. This represents a substantial increase in our operational capability and will provide valuable support to our patrol teams throughout the season.

In general, all of our patrol equipment, including radios, remains in good working order. During the season, I removed the traditional "pineapples" used to secure the red and yellow flags and replaced them with feather-pole ground spikes, similar to those used for the black and white flags. This simple change means members no longer need to carry the heavy and awkward pineapples on and off the trailer and beach each patrol day, and the feedback from members has been overwhelmingly positive.

I would also like to thank Russell Blanchard, Surf Life Saving Queensland Wide Bay Lifeguard Supervisor, and his team of lifeguards who patrolled our beach on Saturdays throughout the season. Their support has been invaluable and has greatly assisted our volunteer patrol members.

Finally, to my dedicated team of volunteer patrol members, thank you for making this such a successful season. Your commitment, professionalism, dedication and teamwork are the foundation of everything we achieve, and you have made me proud to serve as your Club Captain.

Look forward to seeing you all again on the beach for the 26-27 season which I feel will be bigger and better.

Thank you,
Paul "Figsy" Figallo
Moore Park (Beach) SLSC Club Captain
P.S. Up Up Cronulla!

Sensational!

A tall, thin, stylized figure with a long neck and a small head, wearing a yellow cap and a dark tie. The figure is sitting on a high, narrow stool or chair, with its legs crossed at the ankles. The figure's body is composed of simple black outlines, and the overall style is minimalist and graphic.

Michael "Paul" Fleming

Senior Trophy Recipients

Fundraiser of the year

Michael “Paul” Fleming

The Board recognised Paul and Finley Fleming for their outstanding fundraising efforts throughout the season. Through their strong support of Club raffles and events, including Nippers and Silver Salties, they made a significant contribution to the Club. In April, Paul organised a car show in Tewantin that raised \$1,000 for the Club, while Finley independently secured a further \$408 in donations during the event.

Michael “Paul” Fleming

Quiet Achiever Trophy

Wendy Biggam

Vita Nakrosa, Louise Seagan, Mira Koopman, Wendy Biggam

Wendy Biggam was recognised for her outstanding contribution across many areas of the Club. As Registrar, she manages memberships, awards, qualifications, and Blue Card compliance, while also serving as Merchandise Officer, supporting Silver Salties uniforms, volunteering as an Observer with more than 40 patrol hours, and acting as the Under 6 Age Manager. Wendy has been a dedicated supporter of Silver Salties raffles, Christmas Gift Wrapping and supporting the canteen operations.

Most Supportive Member

Jessica Greenaway

Jessica Greenaway was recognised as the Most Supportive Club Member for her consistent and generous support throughout the season. Alongside her role as Member Protection Officer, she regularly supported the canteen through donations of bread and supplies and willingly stepped into the Team Manager role at carnivals, carrying out the position with professionalism and confidence.

Kim Miosge and Jessica Greenaway

Charles Carstairs

Club Captain Incentive Trophy Charles Carstairs

Charles Carstairs was awarded the Club Captain Incentive Trophy for his strong attendance, positive attitude, and consistent involvement in Club activities throughout the season. During the year, Charles attained his Bronze Medallion and commenced as an active patrolling member of the Club.

President's Award Garry Biggam

Garry Biggam

Despite insisting he does not need a trophy, the President's Award this year goes to Garry Biggam. As Vice President, Building Committee Chair, Gear Steward, active patrolling member, Official, and driving force behind the Silver Salties program, Garry has made an enormous contribution to the Club. His experience, practical knowledge, guidance, and willingness to quietly get things done behind the scenes have been invaluable throughout the season.

Best Patrol Member

Joshua Figallo

Joshua Figallo was awarded the Ian Knight Best Patrol Member Award for the second consecutive year, recognising his dedication, reliability, and outstanding contribution throughout the season. A dependable member of the patrol team, Joshua also played a key role in a multi-club search and rescue operation for a missing person.

Best All Rounder Trophy

Paul Figallo

Paul Figallo was awarded the Jack Church Best All Rounder Trophy for his exceptional contribution across all areas of Club operations. Serving in numerous leadership, training, operational and fundraising roles throughout the season, Paul consistently stepped forward wherever needed. His dedication was highlighted by successfully securing the Club's new watercraft, leaving a lasting legacy that will benefit members for years to come.

Joshua Figallo

Paul Figallo

Junior Activities Report

Moore Park Surf Life Saving Club Nippers enjoyed an outstanding 2025/2026 season,

with enrolments increasing to 52 participants – a strong growth from the previous year. One of the Club's key goals is to support children through the Nipper program, helping them build the confidence and skills needed to eventually become Patrolling Members. Throughout the season, the children have shown significant physical and personal development as they worked towards this achievement.

A huge thank you to our Patrol Teams, who open the beach for us each week and help keep everyone safe. Without the red and yellow flags in place, Nippers would not be possible.

We have enjoyed our first season in our new Club House and I would say we are well and truly settled in now enjoying the space.

Throughout the season, our Club successfully delivered training to our Nippers in essential surf lifesaving skills, including water safety, beach patrol procedures, and first aid. Our Nippers worked hard to further develop their Surf Sport abilities in preparation for local and State competitions. Weekly Nipper sessions were made possible through the outstanding commitment and dedication of our Water Safety team, Age Managers, Age Manager Assistants, and Nipper Safety Assistants.

We had Nippers represent MPSLSC at 4 Point Carnivals at Bundaberg and Hervey Bay, North Aussie Championships in Mackay, Wide Bay Capricorn Branch Carnival at our very own beach(!), QLD Youth State Championships at Maroochydore and Australian Youth Championships at the Gold Coast. Thank you to our Surf Sports Team Manager, our Club Officials, Water Safety crew and Age Managers for their dedication in filling these roles to cover the ratios so our children could compete.

Junior Activities Report Con't

The success of our weekly Nipper sessions would not be possible without the incredible support of our volunteers and parents. This season, we were especially fortunate to have such enthusiastic involvement from our Silver Salties, who generously assisted in a variety of roles each week. Thank you for your valued contribution.

There is also a tremendous amount of work happening behind the scenes, and I would like to sincerely thank our dedicated Board members and Club volunteers for their ongoing commitment and support throughout the season for our Juniors Program.

The 2025/2026 season has been another positive and rewarding year for the Moore Park Surf Life Saving Club Juniors. Through our continued focus on safety, education, participation, and community spirit, we are helping to develop the next generation of Lifesavers. As we reflect on the season and prepare for the next, we look forward with confidence to the continued growth and success of our Nippers and our Club.

Surf Sports & Team Manager's Report

A year to celebrate!

We had a record repeat at North Aussies and QLD Country selection and a team manager that was banned from the beach with repeated broken ankles. We celebrated our new club house and hosted a very successful branch carnival, so let's go back to the start of our season.

North Aussies – Mackay SLSC.

Isaac achieved an incredible three-peat GOLD Medal in Flags and earned selection in the Queensland Country Team. This outstanding achievement came after suffering a serious concussion that required hospitalisation and left him having to almost relearn how to walk. His determination and resilience throughout his recovery made this accomplishment even more remarkable.

- Finley Fleming (U14 M) Beach Sprint Final H1 6th, Beach Flags 6th.
- Isaac Figallo (U14 M) Beach Sprint Final H1 8th, Beach Flags 1st.

Interbranch – Coolangatta/Pool Rescue (QLD Country)

Isaac came 8th in flags and 4th in pool rescue - an event that he hadn't had the chance to train in nor compete in, along with a relay partner he hadn't worked with before!

4 Point carnival – Bundaberg SLSC and Hervey Bay SLSC

Emily welcomed the competition with a resounding "MUM! I didn't come last!" and yes, she carried that through for the rest of the season. This was also the start of Finley finally learning his long legs can be an asset and took home quite a few firsts, which also carried through the season.

Branch – Moore Park SLSC

- Pippa Warren (U13 F) took out BRONZE in her swim!! This gave Pippa automatic entry to State, but she was unable to attend.
- Harrison Kerr (U11 M) GOLD!!!! In the 1Km, BRONZE in Beach Sprints and Flags automatic entry to State but he was unable to attend.
- Cody Gill (U12 M) 1Km 6th, automatic entry to State but he was unable to attend.
- Jai Moore (U11 M) 4th in Beach Sprints and 5th in boards gaining automatic entry to state.
- Willow Barritt (U11 F) BRONZE in the 1km gaining automatic entry to state.
- Rubi Vonhof (U13 F) came 7th in her sprint race and also had a crack at state through open nomination.
- Finley Fleming Beach Flags BRONZE, Beach Sprints GOLD.
- Isaac Figallo Beach Flags GOLD, Beach Sprints BRONZE.

Notable mentions for Branch: Nevaeh Barritt and Billie Gill (U11 F) top 10 finish in the 1Km. Chardonnay Poharama (U13 F) Top 10 in beach flags. 1st season for Willow & Neveah Barritt, Cody & Billie Gill, as well as Chardonnay Poharama.

Beach Series – R1 Noosa Heads, R2 Gold Coast, R3 Gold Coast

Beach series is exactly that – Flags, Sprints, and Sprint Relays.

R1 Levi, Isaac, Finley. R2 & 3 Isaac.

North v South – Agnes Water (Cancelled)

Isaac Figallo, Finley Fleming, Harrison Kerr, Levi Vonhof (U17 M)

QLD Championships – Maroochydore

- Finley 7th in his QF for Beach Sprint, 7th in flags and but in valiant efforts for Boards and Ironperson.
- Isaac 6th in the SF Beach Sprint and unfortunately slipped in his flag run.
- Jai Moore and Willow Barrett barrelled through Branch and Qualified for their first crack at state!!!
- Jai Moore 32nd in Beach Flags, 5th in his Beach Sprint and 14th in the QF for Board Race.
- Willow Barrett 49th in Beach Flags and gave it her all in the 1Km beach run.

Aussies – North Kirra (Gold Coast) SLSC

- Finley finished 42nd in beach flags and 5th in his QF beach sprint.
- Isaac finished 11th for Beach Flags and 6th in his beach sprint.

All of the above would not have happened without parents travelling to these events, regardless of where their children may finish and for that I sincerely thank you.

I'm not forgetting the efforts of all our Water Safety, Officials, Gear Goffers, and Age Managers. I couldn't do what I do without you and the kids couldn't be on the beach without you either.

This year was a hugely successful year, and I couldn't be any prouder of the team that I have and this is just the beginning... Catch your breath 2026-2027 is going to be even bigger (no moonboot – fingers crossed)!

Surf Sports - Shannon Figallo
(in a moonboot)

Enablers

Behind every successful season stands an enormous network of supporters, partners, sponsors, community groups, and local businesses whose contributions make our operations possible. While patrol hours and volunteer efforts are often the most visible part of Surf Life Saving, the reality is that Clubs like ours simply cannot function without the ongoing support of the wider community.

Whether through funding, grants, donations, sponsorship, discounted services, venue support, fundraising assistance, equipment, professional expertise, or simply backing our vision, each contribution plays a vital role in helping our Club grow stronger and remain sustainable for future generations. Many of these organisations and individuals quietly support us behind the scenes without seeking recognition, yet their impact is felt across every area of the Club.

Government & Grant Partners

The Australian Government – Flynn Division is acknowledged for its support of community and infrastructure initiatives that assist the Club in delivering lifesaving services, volunteer development, and community engagement activities.

Bundaberg Regional Council is acknowledged for its ongoing support through lease arrangements, infrastructure and signage assistance, grant opportunities, and cooperative partnership with the Club in supporting beach safety and community development at Moore Park Beach.

Queensland Sport and Recreation is acknowledged for its support through funding opportunities and programs that strengthen community sporting organisations, as well as making participation more accessible for many families through the FairPlay sports voucher initiative.

Surf Life Saving Organisations

Surf Life Saving Queensland is acknowledged for its ongoing operational and governance support, along with significant assistance in the development of the Club's new clubhouse and support in securing grant opportunities for the Club's future growth.

Surf Life Saving Wide Bay Capricorn is acknowledged for its continued operational support, patrol assistance, training opportunities, governance guidance, and collaboration throughout the season in supporting lifesaving services across the region.

Surf Life Saving Foundation is acknowledged for its support of Surf Life Saving initiatives and assistance in helping Clubs access funding opportunities that strengthen volunteer lifesaving services and community programs.

Major Project & Infrastructure Supporters

Hallstone Construction is acknowledged for its role in the construction and delivery of the Club's new clubhouse facility, helping bring to life a significant milestone in the Club's history.

Dulux Australia is acknowledged for its support through the supply and assistance of paint products.

Community Organisations

Moore Park Rotary Club is acknowledged for its generous donation to the Club, which contributed toward additional bar tables in the walkway and canteen.

Moore Park Beach Community Association is acknowledged for its continued support of local community initiatives and its cooperative relationship with the Club in supporting community engagement and development within Moore Park Beach.

Moore Park Beach Bowls Club is acknowledged for its ongoing cooperation, community support, and assistance with liquor access arrangements during the Branch Carnival. Their willingness to work alongside the Club contributed greatly to the smooth operation and success of the event.

The Pink House is acknowledged for its generous donation supporting youth development within the Club, helping enable our young volunteers to attend Surf Life Saving youth camps and leadership opportunities.

Local Business & Event Supporters

Moore Park Beach Tavern is acknowledged for its ongoing support of Club raffles and fundraising activities, along with the generous use of its facilities for community and Club events.

Sugarland Plaza is acknowledged for its continued annual support of the Club's Christmas Gift Wrapping fundraiser and for providing the opportunity and facilities that make this important fundraising initiative possible each year.

Nudi Apparel is acknowledged for its support during the Branch Carnival and for its generous raffle donations.

Dayzees Kombi Coffee is acknowledged for its support during the Branch Carnival and contribution to the event atmosphere and community engagement throughout the weekend.

Twist n Shake is acknowledged for its support during the Branch Carnival.

Truck n Yum is acknowledged for its support during the Branch Carnival.

Rum City Foods is acknowledged for supplying food for the Club canteen and supporting the successful operation of the Branch Carnival.

Donations

Gladstone Ports Corporation is acknowledged for its generous donation supporting improvements to the Club canteen facilities, including a new bain-marie.

McGrath Real Estate is acknowledged for its generous donation arising from the sale of a local property belonging to two of our Club members. This contribution has supported member awards and recognition initiatives presented at the AGM.

Gin Gin Landcare is acknowledged for its generous donation of plants, which helped complete the landscaping of the club gardens.

Crystalgem Trophies & Engraving is acknowledged for its contribution of a raffle prize for the Junior Activities Annual General Meeting.

Anonymous donations are acknowledged for their generous contributions used to:

- Repair the damage caused by lightning
- The purchase of bar-tables for the use of our community
- The purchase of a new BBQ
- The purchase of an exhaust
- New outdoor tables and seats

Community members are acknowledged for donating the proceeds of Containers for Change to Moore Park SLSC. This donation is spent on hydration for patrol members.

Anastasi Blooms is acknowledged for its donation of a commemorative wreath for the Club's ANZAC Day service and march participation.

Silver Salties

Our Silver Salties program is in its second year and provides opportunities for members of the community to stay active, connected, and involved in Club life. The program reflects our belief that people from all walks of life have valuable skills, knowledge, and experience to offer, and we continue to see the positive impact that diverse backgrounds and expertise bring to the Club. Silver Salties members have become an important part of our Club community, supporting fundraising activities, social events, and operational needs throughout the season. Their assistance in the canteen has been particularly appreciated, helping ensure smooth operations during events and busy periods.

The group also played a key role in our fundraising efforts, helping raise more than \$2,000 through the Moore Park Beach Tavern raffle nights during the year.

Most importantly, the program continues to foster friendships, community spirit, and a sense of belonging. Thank you to all Silver Salties members for your enthusiasm, support, and willingness to contribute to the success of Moore Park Surf Life Saving Club.

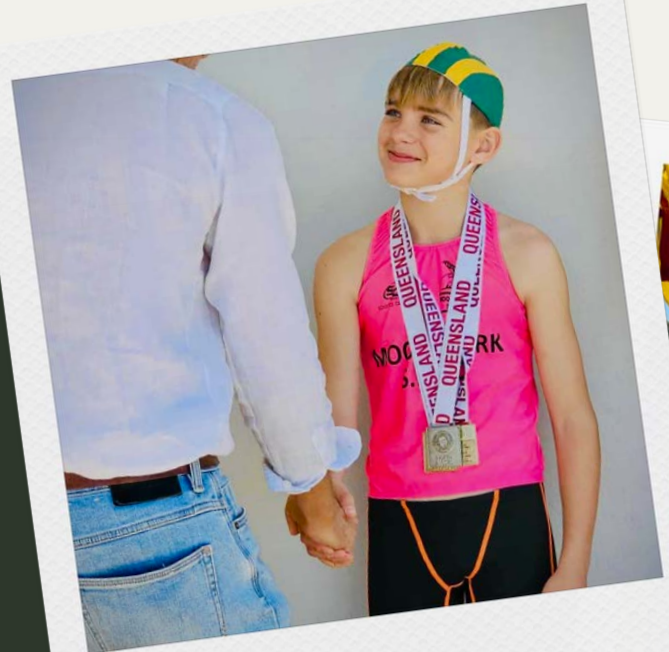

SILVER
SALTIES

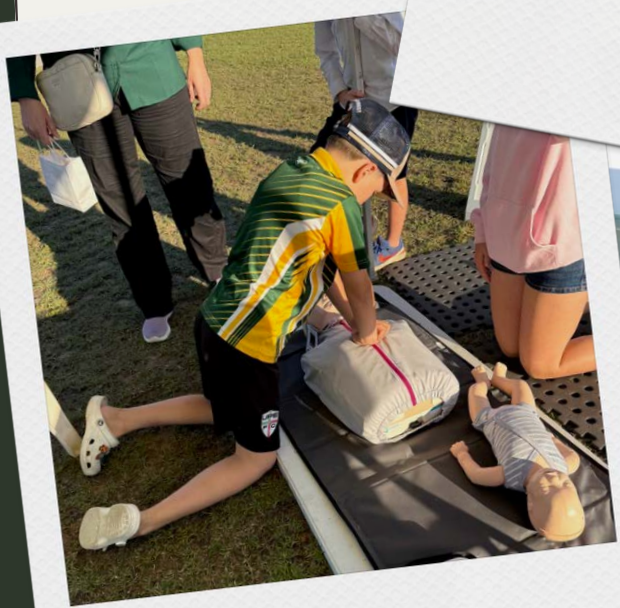

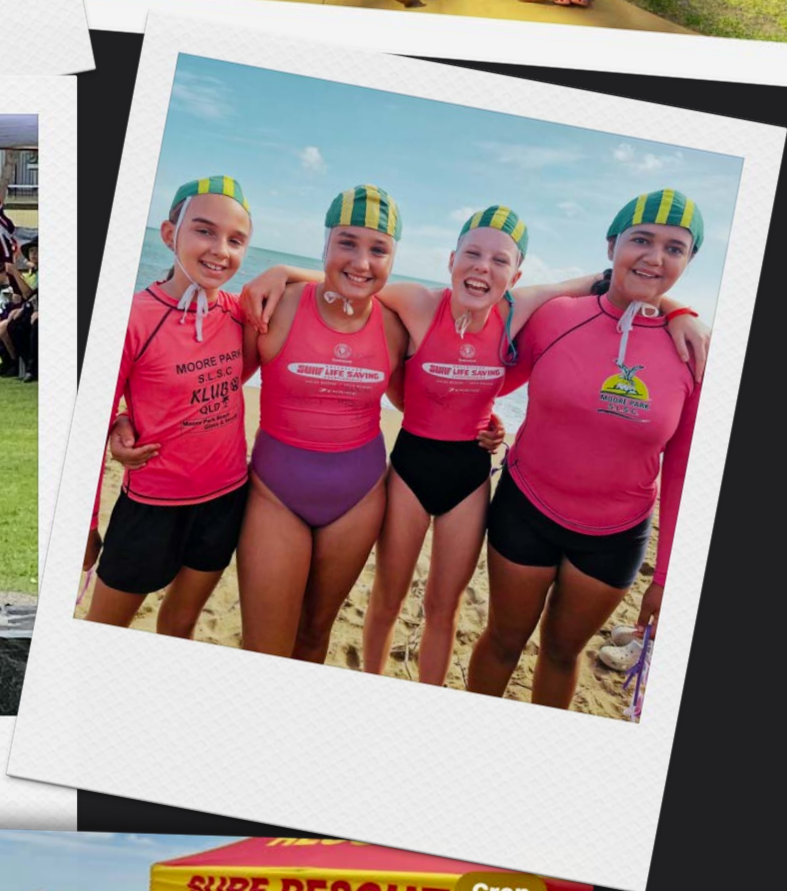

Garry and Wendy have completed the Observers course, First Aid and Radio proficiency. They help Surf Lifesavers monitor the beach.

Treasurer's Report

This has been my first year as the Director of Finance for MPSLSC, and I would like to take this opportunity to thank the Board of Directors for their support and patience throughout the year as I transitioned into this role, and particularly for their understanding and ongoing support during a period of bereavement.

The year has been particularly challenging from a financial administration perspective, with the Club transitioning its accounting system from an older version of MYOB, which was located on a single computer, to the online Xero accounting platform. The transition was not without its challenges, particularly as the two systems were not readily compatible. This required considerable work to transfer, reconcile and verify historical financial information while ensuring the Club's ongoing transactions were accurately recorded.

While the process presented some difficulties along the way, the move to Xero represents an important improvement in the Club's financial administration. The new online system provides greater accessibility, improved continuity and a stronger platform for the Club's financial management into the future.

It has certainly been a year of learning and transition, and I am grateful for the assistance provided by the Board and others who have contributed to the financial administration of the Club throughout the year.

Presented herewith are the audited financial statements of Moore Park Surf Life Saving Club Inc. for the financial year ended 30 April 2026. These statements provide a detailed account of the Club's financial performance and financial position for the year and form part of this Annual Report.

Committee's Report

Moore Park Surf Life Saving Club For the year ended 30 April 2026

Committee's Report

Your committee members submit the financial report of Moore Park Surf Life Saving Club for the financial year ended 30 April 2026.

Committee Members

The names of committee members throughout the year and at the date of this report are:

Committee Member	Position	Date Started	Experience	Qualification
Vita Nakrosa	President	08/06/2024	2 years	BA, BBus, BPharm
Jennifer Brady	Treasurer	21/06/2025	1 year	BA

Meetings of Committee Members

During the financial year, a number of committee meetings were held. Attendances by each of committee member during the year were as follows:

Committee Members Name	Number Eligible to Attend	Number Attended
Vita Nakrosa	11	11
Jennifer Brady	11	7

Principal Activities

Surf Life Saving Club

Significant Changes

No significant changes have been identified during this Financial Year.

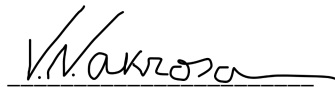

Operating Result

The surplus after providing for income tax for the financial year amounted to, as per below: \$42,048.44

Going Concern

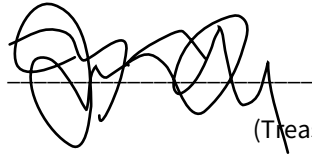

This financial report has been prepared on a going concern basis which contemplates continuity of normal business activities and the realisation of assets and settlement of liabilities in the ordinary course of business. The ability of the association to continue to operate as a going concern is dependent upon the ability of the association to generate sufficient cashflows from operations to meet its liabilities. The members of the association believe that the going concern assumption is appropriate.

Signed in accordance with a resolution of the Members of the Committee on:

Notes to the Financial Statements

Moore Park Surf Life Saving Club For the year ended 30 April 2026

1. Summary of Significant Accounting Policies

The financial statements are special purpose financial statements prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act of Queensland. The committee has determined that the association is not a reporting entity.

The financial statements have been prepared on an accruals basis and are based on historic costs and do not take into account changing money values or, except where stated specifically, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless stated otherwise, have been adopted in the preparation of these financial statements.

Property, Plant and Equipment (PPE)

Leasehold improvements and office equipment are carried at cost less, where applicable, any accumulated depreciation.

The depreciable amount of all PPE is depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use.

Leasehold improvements are amortised over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

Impairment of Assets

At the end of each reporting period, the committee reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised in the income and expenditure statement.

Cash on Hand

Cash on hand includes cash on hand, deposits held at call with banks, and other short-term highly liquid investments with original maturities of three months or less.

Accounts Receivable and Other Debtors

Accounts receivable and other debtors include amounts due from members as well as amounts receivable from donors. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

These Financial Statements are audited. They must be read in conjunction with the attached Notes and Audit Report which form part of these Financial Statements.

Revenue and Other Income

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

Interest revenue is recognised using the effective interest method, which for floating rate financial assets is the rate inherent in the instrument. Dividend revenue is recognised when the right to receive a dividend has been established.

Grant and donation income is recognised when the entity obtains control over the funds, which is generally at the time of receipt.

If conditions are attached to the grant that must be satisfied before the association is eligible to receive the contribution, recognition of the grant as revenue will be deferred until those conditions are satisfied.

All revenue is stated net of the amount of goods and services tax.

Leases

Leases of PPE, where substantially all the risks and benefits incidental to the ownership of the asset (but not the legal ownership) are transferred to the association, are classified as finance leases.

Finance leases are capitalised by recording an asset and a liability at the lower of the amounts equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for that period.

Leased assets are depreciated on a straight-line basis over the shorter of their estimated useful lives or the lease term. Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the assets and liabilities statement.

Financial Assets

Investments in financial assets are initially recognised at cost, which includes transaction costs, and are subsequently measured at fair value, which is equivalent to their market bid price at the end of the reporting period. Movements in fair value are recognised through an equity reserve.

These Financial Statements are audited. They must be read in conjunction with the attached Notes and Audit Report which form part of these Financial Statements.

Accounts Payable and Other Payables

Accounts payable and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the association during the reporting period that remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

These Financial Statements are audited. They must be read in conjunction with the attached Notes and Audit Report which form part of these Financial Statements.

True and Fair Position

Moore Park Surf Life Saving Club For the year ended 30 April 2026

Annual Statements Give True and Fair View of Financial Position and Performance of the Association

We, **Vita Nakrosa** and **Jennifer Brady** being

Auditor's Report

Moore Park Surf Life Saving Club For the year ended 30 April 2026

Independent Auditors Report to the members of the Association

We have audited the accompanying financial report, being a special purpose financial report, of Moore Park Surf Life Saving Club (the association), which comprises the committee's report, the assets and liabilities statement as at 30 April 2026, the income and expenditure statement for the year then ended, cash flow statement, notes comprising a summary of significant accounting policies and other explanatory information, and the certification by members of the committee on the annual statements giving a true and fair view of the financial position and performance of the association.

Committee's Responsibility for the Financial Report

The committee of Moore Park Surf Life Saving Club is responsible for the preparation and fair presentation of the financial report, and has determined that the basis of preparation described in Note 1 is appropriate to meet the requirements of the Associations Incorporation Act 1981 and is appropriate to meet the needs of the members. The committee's responsibility also includes such internal control as the committee determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We have conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the association's preparation and fair presentation of the financial report, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial report presents fairly, in all material respects (or gives a true and fair view, refer to the applicable state/territory Act), the financial position of Moore Park Surf Life Saving Club as at 30 April 2026 and (of) its financial performance for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements, and the requirements of the Associations Incorporated Act 1981.

Basis of Accounting and Restriction on Distribution

Without modifying our opinion, we draw attention to Note 1 to the financial statements, which describes the basis of accounting. The financial report has been prepared to assist Moore Park Surf Life Saving Club to meet the requirements of the Associated Incorporations Act 1981. As a result, the financial report may not be suitable for another purpose.
